# Ballasted R120 Curve Track

PennLUG  
variation

Reference Instructions Sheet

018

Rev  
B

These instructions use techniques which may induce mechanical stress on individual parts. Use at your own risk.

## Parts List

### Notes

Instructions are for a single curve track section. Multiply part quantity as required for multiple curves. 32x required for complete circle.

This ballast method requires Bricktracks R120 curve (P/N R120PFDBG8)

Parts shown in yellow can be substituted with any other colour.
